Dear Chairman DeFazio and Ranking Member Graves,

I write to request funding for the Highway 9 Safety Improvement Project in the legislation to reauthorize federal surface transportation programs. The project sponsor for this project is the City of Monte Sereno and the project is located on State Route 9 in Monte Sereno, California 95030 .

If included in this legislation, the funding will be used to improve sidewalks and bike lanes along State Route 9 in Monte Sereno, California. The project is an appropriate use of taxpayer dollars because it will provide important public benefits, including improving safety for pedestrians and bicyclists.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your attention to my important request.

Most gratefully,

Anna G. Eshoo
Member of Congress
